- **Full-time**

Shift and schedule

- **Overtime**
- **Weekend availability**
- **Monday to Friday**

Full job description

We are a family run removals company and deliver household and commercial removal services. We are seeking a skilled and reliable 3.5t Van Driver, Packer, Porter to join our team. This role would suit someone with previous experience in the removals industry as it is unlike most driving jobs. However, we do welcome applications from those who have not worked in the industry to apply as we can provide full training for the right candidate.

Benefits offered

- Entry rate basic salary £28,308 gross pa, weekly take home pay with tips, night out money and enhanced weekend earnings.
- Guaranteed full time work
- Workplace Pension
- Career and salary progression to Team Leader positions

Requirements of the role

- You will be responsible for driving the vehicle and crew to the client address, supporting the Crew with removals duties, including packing, loading and unloading the vehicle
- You need to be physically fit in order to pack, carry, load/unload the vehicle and dismantle/reassemble furniture.
- Willing to work unsocial hours, including some nights away and will need a valid passport
- Polite and professional, reliable, flexible and able to talk with customers
- Responsible for paperwork and inventories

Driving Requirements

- Complete daily vehicle checks
- Ensure all loads are safely secured and vehicle is clean and report any defects
- Comply with all company, UK and European Safety and Driving Regulations.

Summary

As a 3.5t Van Driver, you will be essential in ensuring the timely and safe collection and delivery of customers goods across various locations. Reporting to the Branch Manager, your role will encompass both driving and removals duties, working as part of the team. You will navigate efficiently and maintain high standards of safety and compliance. You will be a professional driver, representing the company on the road, contributing to our commitment to excellent service and reliability.
